23^e

April, 26 - 30, 1971

internationale tuliprallye

The Hague, January, 1971

HEAVIEST IN THE TULIP'S HISTORY

With a total distance of appr. 4,100 km., including 13 eliminatory tests covering 138 km. and 26 special stages covering 520 km., the 23d edition of the International Tuliprallye (April 26 - 30, next) will be the heaviest in the Tulip's history. Moreover, the rallye will be competed at a higher average speed as in previous years, up till 70 km/hr. The common run Savernes-Villard de Lans-Savernes-Rotterdam will cover appr. 3,500 km.

Another new element in this year's Tuliprallye are the six starting points in five countries. Participants can choose between Rotterdam, London, Paris, Monte Carlo, Munich and Hannover, where verification is to take place on Sunday, April 25, and starting ceremonies are set for Monday, April 26.

Routes have been traced through the most magnificent and difficult rallye regions of Europe. The finish will be in Rotterdam again, as in the last two years, now on Thursday, April 29. Prizegiving ceremonies are on Friday, April 30.

The rallye will be open to cars in Group 1, 2, 3 and 4. There will be cash prizes in all classes.
